Carolyn: Thanks, that makes sense, I understood that your office keeps the originals of all the 104 e responses/

Evette: I will work with what I have until I can compare the FOIA response to the originals.

Thanks.

Nuria/ Evette,

Please refer to the email below. Deena Sheppard was handling this for Gladys. Neither Deena nor Lillie are in the office this week. I'll follow-up with them on Monday and get back to you.

Thanks,

Carolyn

Gladys and Carolyn:

Thanks for the response.

- I have all the documents for Part I and II. Lillie had made good copies of Part II

Please note that - Part II had a CD with four files in it. I was asking to see the original to make sure my copy was complete (it was) I got the original from Deena and returned it to her desk.

What I need to know is your process responsible for sending these documents to the Record Center - or am I?

I understood your office would send the originals to the Record Center - but the FOIA officer did not find them there.

We have a FOIA on these documents.

Attached you will find a copy of "Part II" 104(e) response letter for the Wolverine site. To my knowledge, there was no CD with this second response letter. The only CD was sent with "Part I" response letter and I delivered two copies to you back in April 2012. You now have the entire response from Wolverine attorneys. If you submit this data to Evette Jones, she will coordinate the efforts to have this information placed in SDMS.

If you have any additional questions, please call me.
